My Future

1. What are you short-term plans and long-term goals?

Nowadays I study the branch photographer in the (first, second, third, fourth) year at high school / secondary school.

When I pass the maturita exam, I want to find a job as

I would like to study (language school, university...).

I would like to work in the branch of

I am going to save up some money / build a house / have a family / travel round the world / work abroad... .

2. Is it easy for young people to find a job today?

Young people have problems with finding job because the employers often require 3 to 5 years of practice.

Young people often have a part-time job after finishing school.

3. How can you increase your chances of getting a good job? Is it advantage to have an university degree?

It is important to have good results at school and decide to go to university because when you look for a job it's good to offer lots of skills such as driving license, computer skills, foreign languages. Employers very often decide according to your CV. It is necessary to write a suitable CV and cover note.

It is very important to have a wide range of knowledge and skills because you have more job possibilities.

However, in some jobs your abilities are more important than university degree.

4. How do you imagine a good boss?

A good boss should know how to run his / her business, he / she should get on well with his / her employees, promote his / her ideas and bring them to the end.

A good boss should be strict, decisive and understanding, because if your work is not good enough, he / she must be able to speak about it with you.

5. What job do your parents do and do you want to do the same work?

My father / mother works in / at (the factory / office / shop / car service / company / firm) as

I don't want to do the same work because as I heard that there are very bad working conditions / people can be injured by machine / people earn little money / you have very long working hours... .

I would like to do the same job as my parents do because you have flexible working hours / enough money / enough vacation / space for developing own ideas... .

6. What would be the ideal working hours for you? Do you prefer fixed or flexible working hours (flexi-time)?

I prefer fixed working hours. You can plan your day and you know when your job starts and when it finishes. I prefer flexible working hours because you can plan your days according to your imagination.

7. Do you want to do the same work all your life or do you want to try different jobs?
