Cinema and Films

Do people often visit the cinema?

Some people do not go to the cinema because tickets seem expensive. They watch films on TV or for someone it is more comfortable to download his/her favourite film and watch it at home. Cinema has better sound and also film quality is better. People enjoy it intensively because it is also a social event.

Music, Dance and Theatre

Where can music be heard?

Music is around us for all our lives. Mothers sing **lullabies** to their babies. Music and singing are taught in kindergartens and schools and a lot of children play some musical instruments at music schools. Piano is especially popular, others learn playing some woodwind instruments such as flutes, trumpets, clarinets or oboes.

People listen to music on various radio stations, buy CDs or download music on the Internet. Towns and villages are full of music as well. In cities, there are numerous concert halls, jazz, blues and rock clubs, dance cafés, concerts of classical music and discos.

What famous composers do you know?

The best known composers of classical music are for example Ludwig van Beethoven, Wolfgang Amadeus Mozart, Johann Sebastian Bach, Richard Wagner... . The best Czech composers of classical music are Bedřich Smetana, Antonín Dvořák or Leoš Janáček.

Which type of music do you like? (Pop, rock, reggae, classical, folk, disco, jazz, madrigals, country, heavy metal, church music, punk etc.)

Where do you go to listen to music?

.....

Does music influence the clothes the fans wear?

.....

Can you dance and what kinds of dances can you dance?
