Čas:	20 minut
Využití:	Práce slovní zásobou – předměty a obory – maturitní příprava

A) Fill in the text with suitable information so that they are true for you:

Our school

It is located in Ostrava-Poruba. I get there by ----- because I live in ----- . The building has two floors and it is divided in two wings which are connected by a corridor. The building is not very modern or pretty.

In this place there go about 500 students. They study different branches, for example fashion design, hairdressing, photography, cosmetics.... I study the branch of ----- . I like it /I do not like it because ----- . We have two different schedules for odd and even weeks. My favourite subject is ----- because ----- . I really hate ----- , because-----
-----.

We have 4 specialized classrooms – 2 for IT classes and 2 for language classes. For our practical training we go to ----- . During the practical training we are learning -----
-----.

In the basement there is also a small fast food where we can buy snacks. There are also the lockers for our clothes and shoes, because we have to change the shoes before going to the classrooms.

The students of our school often take part in projects and different competitions. For my branch it is ----- . I have also taken part/I have never taken part because-----
-----.

After I finish this school I want to ----- (at least 5 sentences about your plans).

B) Circle the subjects that you are taking this year:

geography	foreign language	mathematics	history	science		
design and technology	biology	arts	digital photography	design of clothes		
Czech language and literature	anatomy	practical training	economy			
chemistry	religious education	civics	music	ICT	physical education	business
correspondence	accounting	marketing and management				
communication in business
