### **Lord Of The Rings**

It is an epic high fantasy novel written by English philologist and University of Oxford professor J. R. R. Tolkien.

**Sir Peter Robert Jackson** (born 31 October 1961), is a New Zealand film director, producer and screenwriter who made that famous film.

Originally working with Miramax towards a two-film production, Jackson was later pressured to render the story as a single film, and finally overcame a tight deadline by making a last minute deal with New Line, who were keen on a trilogy.

Principal photography stretched from 11 October 1999 to 22 December 2000 with extensive location filming across New Zealand.

*The Return of the King* itself met with huge critical acclaim, winning eleven Oscars, including Best Picture and Best Director.
